

Optional Chromebook Insurance Agreement

Forest Charter School technology is self-insured, so please help us keep premiums and deductibles low by taking very good care of the Chromebook. Please read this agreement to understand your family's rights and responsibilities and what is covered. ***This agreement is optional. If you chose to opt-out, you may be liable for damages at cost.***

- **Costs**

- Yearly premium of \$35 covers one device for the current school year.
- **This insurance agreement covers damage, theft, and or loss of the device. The initial payment of \$35.00 will also act as the first claim deductible, so no payment will be required on first claim. A second claim will require a deductible of \$50.00, and a third will require a \$75.00 deductible.**
- The school administration has the final say in determining insurance and repair situations.
- No refunds will be issued.
- Insurance premiums are due no later than 30 days following the first day of school, or 30 days following a student's enrollment.
- If you do not purchase the optional insurance, you may be liable for the full cost of the Chromebook (\$350) due to loss or damages.

- **Covered Equipment**

- The insurance provided applies to any computer issued to your child by Forest Charter School, whether it is the originally issued computer, a loaner, or a replacement.

- **Exclusions**

- Forest Charter School will not pay for loss or damage caused by or resulting from the following:
 - Not informing the Technology Coordinator immediately of damage to the device may void the insurance coverage for that incident.
 - Examples being: damage from a liquid spill, dropping of the device that may expose internal parts.
 - Damage caused maliciously/on purpose to the device, or dishonest, fraudulent, or criminal acts.

- **Claim Procedures**

- Go directly to the FCS Technology Department.
- The Technology Department will examine the Chromebook to determine if there is a qualified insurance claim.
- If there is a claim, the Technology Director will fill out the appropriate paperwork.
- Once the claim is in process, a loaner or replacement will be issued to the student.
